OVERVIEW

Based on your search settings, LSU Elements automatically feeds data about your publications into your profile from external sources such as Scopus, Web of Science, Dimensions and CrossRef etc. Some publications will be automatically claimed while others will be put in a pending status. You will need to claim or reject pending publications so that they are accurately reflected on your profile.

VIEW YOUR PENDING PUBLICATIONS

Elements

- When you login to LSU Elements, if you have pending publications, you will see them in two different locations:
 - 1. Under Claim your publications in the MY ACTIONS box

	MY ACTIONS (4)
	Claim your publications You have 11 pending publications waiting to be claimed or rejected. Claiming them will add them to your 'My publications' list. Claim now »
	Add your ORCID iD Adding your ORCID iD can help us find your publications across the web. Add »
+	Link your publications to funding Linking your publications to the associated funding captures this information ready for reporting activities. Link »
	···· -·· ·

2. In the Publications bucket on your home page

Publications	
 Claimed 58 abstracts 2 chapters and 140 more publications » 	
 Pending 1 chapter 5 conferences proceedings 5 journal articles 	>
